EDUCATION

- B. Tech in Electrical Engineering
Punjab Engineering College, Chandigarh **[CGPA: 7.50]**
[Till 3rd Semester]
- Senior Secondary – 12th
Vivekanand Vidya Niketan, Assandh, Karnal **[96.8%]**
[Apr, 2020- Mar,2021]

SKILLS

- Programming Languages:** C++ (Proficient), JavaScript, SQL(Familiar), Python (Familiar)
- Libraries/Frameworks:** Bootstrap, ExpressJS (Familiar)
- Tools/Platforms:** VS Code, MongoDB.
- Add-ons:** Data Structures, Algorithms, HTML5, CSS, BootStrap 5.

PROJECTS

- SplitMate: (JAVASCRIPT | HTML | CSS | Data Structures) [Website] [Source Code]**
 - Developed** a website that simplifies group expense tracking and splitting.
 - Users can, add **expenses, and allocate costs** among the group members, with the algorithm calculating and showing each person's share of the expenses.
- Netflix Clone: (HTML | CSS | JavaScript) [Website] [Source Code]**
 - Built** a website that is the **clone copy** of movie streaming app "Netflix".
 - Website looks similar to Netflix browse page and is responsive with device width.
- Huffman Encoder: (HTML | CSS | JAVASCRIPT | REACT JS) [Source Code]**
 - Integrated concepts of **Data Structures** to make an Encryptor using Huffman coding.
 - Reads the data** from file in system and Command Line Interface displays the encoded strings. It takes your text file as input.

ACHIEVEMENTS

- Attained **Rank 755 out of 18590 participants** in Codechef Sept Long 2022 Division 3.
- Successfully completed** HacktoberFest 2022.
- Solved 100+ problems** on GeeksForGeeks.
- Rated **2 star (H.R. 1527)** on Codechef.
- Solving (Basic) Certificate – Hacker Rank. [Certificate]**
- Google Kickstart 2022. [Certificate]**

EXTRA-CURRICULAR ACTIVITIES

- Managing DSA and DEV Community.**
 - Managing the Tech Resource Sharing community, curating, and promoting up-to-date tech resources from LinkedIn and other platforms to **2900+ members**.
 - Managing** 14 WhatsApp Groups, 1 Discord Server for contest Updates, 1 telegram channel, 1 LinkedIn Page.
- PEC ACM-CSS Student Chapter - Implementation Body Member.**
 - Responsible for** implementing events by PEC ACM-CSS Student Chapter.
 - Suggesting Event Ideas and help arranging them.
